## FAMILY ALLOWANCES FOR SERVICE MEN

### What is a Family Allowance?

A Government check sent to the soldier's dependent regularly every month. The Family Allowance is made up of money set aside from his pay and money contributed by the Government. It is granted only upon application. It is payable only to dependents eligible under the law. These include primarily, wife and child (Class A relatives); dependent parents and minor dependent sisters and brothers (Class B dependents).

### How much is set aside from the soldier's pay?

\$22 a month, if the allowance is for Class A relatives only, or class B dependents only. \$27 a month, if it is for both Class A and Class B.

### How much will the soldier's dependents get?

Here are a few examples:

Wife	\$50
Wife and child	\$62
Wife and 2 children	\$72
Wife and mother only	\$47
Wife and parents	\$80

### How soon does a Family Allowance being to be paid?

The allowance begins to accrue the month after he applies and is payable when that month has ended. For instance, if he applies in March, the allowance begins to accrue in April and is payable in May.

### Who may apply?

The soldier may apply as soon as he is on active duty. All enlisted men in the fourth, fifth, sixth or seventh grades may apply. Dependents may apply, too, but it is better for the soldier himself to do it. His wife or child (also a divorced wife to whom alimony is payable) may receive this benefit with or without his consent. But class B dependents may receive it only if the soldier agrees.

### How is application made?

Application is made only on the official form WD, AGO 625. These forms are available at Reception Centers, Recruiting Stations, local Chapters of the American Red Cross, Service Command Headquarters, and the Office of Dependency Benefits.

### Is documentary proof of relationship and dependency required?

Res, and soldiers or relatives should gather that proof before submitting applications and attach it to application. Documentary evidence consists of certified copies of the public or church record of marriage and of the birth of the soldier's children; two affidavits of dependency, sworn to by disinterested person, for each Class B dependent named in application.

Evidence must accompany any application filed by a relative or dependent of the soldier.

## AMERICAN LEGION AUXILIARY WOMEN SPEED NARBERTH'S DEPARTING RECRUITS

Narberth, not content to see its young men go war-ward without a formal adieu, has arranged that each new member of the armed forces shall receive attractive good-bye gifts. The above photograph shows how the patriotic plan is fulfilled, the auto stopping at the various homes, and the visits being made by (left to right): Mrs. Russell S. Basler, Mrs. Mary Sexton Davis, Mrs. James A. Caffrey (in car), Mrs. Howard F. Kaiver (in rear of car), Mrs. Frank S. Leins, Jr., and Mrs. Chester G. Jones.

## Labor Shortage Hampers Red Cross Collections

### Main Line Residents Asked to Send Contributions to Branch Office Nearest Homes; Must Ease Load, Says Dreher

Labor shortage and the increase in contributions are having their effect on the collection of Red Cross War Fund donations this year.

Because the number of donations has increased this year and because adequate stenographic assistance is more difficult to obtain, Chairman Frederick W. Dreher of the Main Line Branch War Fund asked today that all Main Line residents send their contributions to the branch in whose area they live.

"To help ease the load now being carried by the Philadelphia chapter office, residents of this area are asked to make their donations either to the worker who calls at their home or to send it to branch headquarters," Dreher said more:

Branch headquarters and the communities they cover are:

Main Line Branch, Montgomery Ave., and St. George's Rd., Ardmore.

Merion, Narberth, Wynnewood, Penn Valley, Gladwyne, Overbrook Hills, Penn Wynne, Ardmore, Ardmore Park, Haverford, Bryn Mawr, Rosemont, Garrett Hill, Villanova.

Bala-Cynwyd Branch, Montgomery Ave., and Conshohocken State Rd., Bala-Cynwyd.

Bala, Cynwyd, and West Manayunk.

### BUDGET ON FILE

The preliminary budget of the Narberth School Board for 1943-44 will be on file at the school until the April meeting of the School Board and is open to inspection.

**\$1841.25 COLLECTED IN NARBERTH DRIVE**

### Chairman Says Response So Far is Disappointing

"Collections and subscriptions in the 1943 Red Cross War Fund Drive reached \$1841.25, according to Mrs. W. J. Cahill, chairman of the Narberth drive.

This total includes \$400 in special gifts and individual subscriptions of \$1241.25.

In addition, two \$100 subscriptions were announced, one from the Narberth Bank and the other, on behalf of the men from Narberth who are in the armed forces, from the Narberth Citizens Committee.

"We are a little disappointed in the results so far," said Mrs. Cahill. "But we are concentrating on making our solicitations as early as possible; the effort of the workers to secure the small individual gifts is the basis on which this campaign is built."

Mrs. Cahill pointed out that, although 70 percent of the funds is earmarked for the armed forces, (Continued on page 2)

## Ration Board to Be Open 1 Night Week

Chairman Henry M. Harman of the War Price Rationing Board of Narberth and Ardmore today announced that, with the hope of being open one evening a week, the board of the community, the Board of Greater Service to the community, effective March 22, the Board's offices at 66 E. Lancaster Ave., Ardmore, will be open from 9:00 A. M. to 3:00 P. M. week-days; 9:00 A. M. to 12:30 P. M. Saturdays, and 7:00 P. M. to 9:00 P. M. Tuesday evenings.

## Ask Routing of Bus Lines Thro Central Ardmore

### Red Arrow Files Petition for Change of 69th Street via Narberth Line; Bryn Mawr Trips Would Be Discontinued

The Suburban Transportation Company has asked the State Public Utility Commission for permission to re-route its Red Arrow bus line running from 69th Street to Ardmore via Narberth.

## Still More Reports On Christmas Boxes

No matter how far away the Narberth Christmas boxes had to travel, only one seems to have failed to arrive at destination and it would not be surprising if word ultimately comes that this also was properly delivered.

Meanwhile, here is word from several more Narberth men whose gifts were subject to a lot of global traveling before they finally came to hand.

Upon arrival back at my post, after an absence of two months, I was pleased to find the Christmas package from the citizens of Narberth. I found so many gifts so thoughtfully selected and packed that I was certain that it was Christmas. Each and every gift was welcome and most useful. It is impossible for me to adequately express my appreciation for your thoughtful and kind remembrance. It brought about a complete realization of just what you folks think of us, who have been called into the service of Our Country, and I can assure you that we have been and will continue to do our part in bringing about Peace on Earth. You have shown each of us that you are proud of us, and I can assure you, we are proud to be citizens and residents of Narberth. Believe me, all of us look forward to "home coming day."

I also wish to take this opportunity to thank you for sending "Our Town" to me, many hundred miles away. It certainly goes a long way in keeping me informed and keeps my morale at a high level, and I complain much less about the heat of the tropics.

May God bless you all.

WILLIAM T. CHAIN.

It was with the greatest pleasure that I received the wonderful Gift-Box that you sent to me. Words could hardly express my sincere appreciation for such most useful gifts. My humble thanks to all of you. It is just such people as you, through the inspiring work you are doing at home, that give us men of the Armed Forces encouragement, faith and the will to carry on with the work that has been set before us. I am grateful to you.

A. J. Purring.

Received your grand Christmas Box and sure do appreciate it. It was a most pleasant surprise, being very complete and containing many useful articles. "Thanks a Million." Letter will follow.

Thomas Lawson.

All the Company wants to do is to make a loop up through the central Ardmore district rather than having a fixed terminus on the North Ardmore side of the Pennsylvania Railroad Station.

The Company also proposes to eliminate the trips it has been making on week days to Bryn Mawr. In the Company's petition it is pointed out that the Bryn Mawr trips along Montgomery Ave. parallel the Lancaster Ave. route where buses are also running.

According to the proposed re-routing, Ardmore bound buses would swing off of Montgomery Ave. at Church Rd., turn west on Lancaster Ave., then right on Anderson Ave.; make the usual stop on the north side of the railroad tracks and then continue through Suburban Square and down Montgomery Ave., traversing the present route back to 69th Street.

After being notified the petition had been filed, Lower Merion commissioners on Wednesday night appointed a mixed committee composed of commissioners and citizens to study the proposal. Members of the committee are Walter Hammond, Bryn Mawr commissioner; C. Burton Mustin, Rosemont, commissioner; Fred Dreher, manager of the North Ardmore Suburban Square business development, and will include another business man to be named later from Bala-Cynwyd. The committee, it is understood, will make a recommendation and then the commissioners after considering this recommendation will pass along their opinion of the proposed change to the Public Utility Commission.

A similar notice of the re-routing proposal, it is understood, has been sent to the Narberth Borough Council. The bus line traverses the length of the Borough and passes through the Narberth business district on its way to Ardmore.

## TWO APPOINTED TO RATIONING BOARD

### Chairman Tells of Fuel Oil Saving Last Year

Appointment of Wilbur W. Smith, 123 Crosshill Rd., Overbrook Hills, and Roger C. Stinson, 8 Simpson Rd., Ardmore, as members of War Price and Rationing Board, of Narberth and Ardmore, was announced last week.

Stinson, who has been chairman of the consumer's committee of the Lower Merion Council of Civilian Defense, will serve as consumer's representative on the Board.

Chairman H. M. Harman announced that, in the area served by this Board, premises other than private dwellings, that last year consumed 261,133 gallons of fuel oil, have been converted to the use of coal. In addition to this, conversions have been ordered and are under way in other premises which last year consumed 686,120 gallons of fuel oil.

The Office of Petroleum Administrator for War, which has taken over the study of all consumers of over 10,000 gallons, are studying the possibilities of conversion on premises which last year consumed 1,105,363 gallons of fuel oil.

## Championship Game Tickets on Sale

Tickets for the State Championship basketball game between Milton High School, champions of District 4, and Lower Merion High School, champions of District 1, on Saturday at the Palestra at 8 P. M. may be purchased today and Friday and Saturday between 9 A. M. and 4 P. M. at the Lower Merion High School and between 9 A. M. and noon at the Bala-Cynwyd Junior High School.

## Penn Valley Club Victory Garden Talk

The Penn Valley Garden Club's forum on Victory Gardens will meet on March 22 at 10:30 A. M. at the home of Mrs. Charles E. Clarke, 728 Clarendon Road, Penn Valley.

Mrs. Ernest Drew will speak on vegetables. Guests may attend this meeting.

## TEACHERS AFFECTED BY THROAT MALADY

### School Absences About Normal, However

Six or eight of Lower Merion's teachers have been afflicted by a new form of malady causing them to lose their voices temporarily, according to a report made to the Lower Merion School Board Monday night.

The report also refers to the measles epidemic as responsible for many absences including teachers and office workers as well as pupils.

Even so, the report says there were less absences among the teachers during February than there were during the same month last year.

Speaking of the strange malady Superintendent of Schools Frank A. Dubols says:

"A new type of malady affected six or eight of our teachers this year in the form of some type of laryngitis which caused them to lose their voices for periods of from three to eight days."

A weekly report from the health officer for the week ending March 12 shows there have been 1059 cases of measles and German measles in the district since the beginning of the year. Despite these cases, the superintendent reports that absences were about the same as last year when mumps and chickenpox were prevalent.

Alex Fleming is one of the instructors at the Bala-Cynwyd Junior High School who has been ill. He was operated upon on February 27 and is expected to resume his duties on March 22.

## ELECT KIRKPATRICK ROTARY PRESIDENT

### Registration Being Taken for District Conference

George W. R. Kirkpatrick, principal of the Bala-Cynwyd Junior High School, was elected president of the Bala-Cynwyd, Narberth Rotary Club at the annual meeting on Tuesday.

Other officers elected were the vice-president; Dr. E. R. Dikrow, Rev. Robert E. Keighton, Narberth, Narberth, secretary; Hervey C. Keim, Bala-Cynwyd, treasurer, and Dr. William S. Howard and Richard M. Gillis, Narberth, directors. The new officers will be installed in July.

James Carroll was chairman of Tuesday's program, when Ralph S. Dunne, William H. Durbin, William Decker and Alvin Shull, members of the club, gave informal talks on the Rural plan.

Registrations are now being taken for the annual conference of the Rotary Clubs of the 179th district of Rotary International which will be held in Reading on April 4, 5, and 6, at the Berkshire Hotel.

## Lower Merion Captures 11th District One Title, Clashes With 'Dark Horse' Milton Saturday

Having captured its second goal of its campaign—the District One, PIAA crown—Lower Merion High School's undefeated basketball team is now leveling its sights on the Eastern Pennsylvania championship.

Two victories are needed to achieve this feat, one over Milton High, District Four champion, and another over either Berwick or Hazleton.

Milton, ruler of the Susquehanna Conference, and representing the same district that produced Shamokin, the hustling club that gave L. M. such a tussle last year, will invade Penn's Palestra Saturday night to challenge Coach Bill Anderson's Main Liners. The same night Hazleton, which shares with L. M. the distinction of having won three straight titles, and Berwick, runners-up to the locals in the East last year, clash at Allentown. The survivors of the two games will meet next Tuesday for the Eastern title, most likely at

the Palestra.

Lower Merion moved into the crucial interdistrict play Tuesday by downing a scrappy, formidable Chester High quintet, 40-28, in the District One final at the Palestra. It was the 11th time in 14 years the Andersonmen lifted the title and marked the fifth year in a row they earned the right to represent the district in the tourney.

The Maroon knew it was in a fight and really had to hustle before it extended its 19th victory of the season and extended its two-year streak to 28 in a row.

Chester, winner of the Suburban Section Two League, lost by only 34-25 to the Maroon in an early season game, and refused to be cowed by L. M.'s vaunted power and its role of heavy favorite. The Clippers fell behind by 12-1 in the first seven minutes, but struck back with an aggressive, sure-shooting attack that knotted the score at 16-16 with 45 seconds remaining

in the first half. Don Evans managed to slip down court, took a pass from Phil Harman and banked a goal that gave L. M. an 18-16 lead at halftime, but it did little to chase away the chills of apprehension that were dashing up and down the spines of many Main Line re-sters.

But the fears of the Maroon backers were groundless because the Andersonmen swung into their customary stride with the start of the third quarter and gradually pulled away. By the start of the fourth quarter L. M. led by 32-23 and Chester at no time came close to closing the gap.

Not all justice to Chester's scrappy, admirable play, Lower Merion definitely wasn't at the top of its game. In fact, it was its poorest performance in the playoffs and could have been fatal if Evans hadn't been able to score consistently and hadn't been able to control the ball under the hoop.

Evans collected five field goals

on 14 shots and converted six of eight foul tries to pace both teams in scoring with 16 points. He tallied every one of L. M.'s six points in the second quarter. Hank Belber was outstanding in a reverse role. He collected his two field goals and a foul toss during the Maroon's winning third period spurt and his timely, snappy passes paved the way for quite a few other points.

Vernon Young, who started at guard as a reward for his splendid reserve play against Pottstown, and Art Campbell, who looked better in a substitute role than he did as a starter in the two previous games, were the only other players to get more than on field goal, each contributing two.

Chester's attack was built around two speedy forwards, Sam Taylor and Hal Dehner, and sturdy Danny Bartkow, center. They collected 22 of their team's points. Dehner showed the way with four field (Continued on page 2)

### Civilian Defence-Continued

#### HOW YOU MAY SERVE IN THE WAVES OR SPARS

(This is the fourth of a series of "questions and answers" published in behalf of the women in this area who are interested in joining the Navy's WAVES or Coast Guards SPARS.)

Q. As a WAVE or SPAR, what pay can I expect?  
A. Both enlisted personnel and officers receive the same pay as Navy and Coast Guard men of comparable rates and ranks. Apprentice seamen are paid \$50 a month; \$54 a month and so forth. In addition, where government facilities are not provided, you will receive a subsistence and quarters allowance when advanced to seaman second class; \$66 a month when raised to seaman first class; \$78 a month as a third class petty officer, of \$2.75 a day on top of your base pay. Among commissioned officers, an ensign receives a monthly base pay of \$150 and allowances, amounting in all to about \$216 a month, while Lieutenants (junior grade) receive \$166.67 base pay and allowances, amounting to about \$247 a month.

Q. Am I entitled to file for dependency allotment?  
A. Yes, on the same basis as Navy and Coast Guardsmen. Too, you can buy life insurance at the same low government rates, get reduced rates on transportation, movie and theatre tickets where granted, take advantage of the free mailing privilege, and benefit from such organizations as the USO, Red Cross and Navy Relief.

Q. When does my pay begin?  
A. The day you report to training school.  
Q. Must I buy my own clothing when I join the WAVES or SPARS?  
A. No. When you arrive at training school, you will be provided with an allowance of \$200 for uniforms and other clothing.

Q. Of what does the complete uniform consist?  
A. Soft crowned hat, rolled brim, with black band; short Navy blue jacket, slightly built-up shoulders and new rounded collar and pointed lapel. Blue and white insignia for WAVES and gold for SPARS: Flattering, six-gored skirt; reserve blue and dark blue skirts; black seaman's tie; smart over-the-shoulder leather pouch bag; white gloves in summer, black gloves in winter; beige lisle hose; black oxfords with heels not over one and a half inches; raincoat and havelock.

### Plan Community Meeting Monday on Victory Gardens

A community Garden meeting will be held on Monday at Elm Hall at 8 P. M. under the auspices of the Narberth Civilian Council of Defense.

There will be a discussion of plans for Victory Gardens, and those who wish may sign up for plots in land furnished by Lower Merion Township. Later on, applications for plots will be received at the Borough Hall or at the Library.

Anyone in Narberth having lots which are not in use is asked to notify the Borough office if willing to donate the land for Victory Garden planting.

The Council of Defense will appoint a committee to take charge of the Victory Gardens.

### Schools Sold \$24,353 In Bonds and Stamps

Pupils in Lower Merion schools have sold \$24,353 in U. S. War Stamps and Bonds. Of this amount the Bala-Cynwyd Junior High School has sold \$14,448.

It was also reported at a meeting of the Lower Merion School Board on Monday night that the School District has 23 of its employees with the United States armed forces.

Roger Lincoln of the Ardmore Junior High School faculty is the teacher most recently called into service.

Miss Mary L. Harbold has been called to do engineering work at the Philadelphia U. S. Navy Yard.

### Only One Building Permit in February

George B. Suplee, building inspector for Narberth Borough, reported last week there had been only one building permit issued during February.

This was for roof repairs that Edward Griswold made to his house at 1 Chestnut Ave. Cost of the repairs was \$150.

### TELLS OF CHINA EXPERIENCE

The Christian Mothers' Association of Mater Misericordiae and Waldron Academies, Merion, met recently in Merion to hear the Rev. Charles O'Connor who has spent the past eight years in China the last six months of which he was confined in a Japanese concentration camp in Hong Kong.

### LESSON SERMON

"Matter" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 21. The Golden Text is: "It is the spirit that quickeneth; the flesh profiteth nothing" (John 6.63.)

goals but Taylor's all-around play was most outstanding and Chester's death knell was sounded when he went out on fouts late in the third period.

From all reports, Lower Merion will be up against a rough, fast average-sized club in Milton. The Black Panthers scored the major upset of the tournament in eliminating Shamokin, 34-22, a team to which they had bowed twice during the regular season. They dropped their only other game to Sunbury.

Milton won the District Four title in a 54-52 thriller with Sayre High at Williamsport Tuesday. Its stars are Dick Ammerman, forward, and Dick Miller, guard. The latter scored 32 points against Mt. Carmel Township in a playoff game.

### MAY BUY 3 ACRES NEAR JUNIOR HIGH

#### Trustees of Estate Ask Board for 2 Stipulations

The Lower Merion School Board is negotiating with the Traders National Bank and Trust Company to buy three acres of property alongside the Bala-Cynwyd Junior High School.

The property is known as the Gill Estate and from the Trust Company it has been learned that trustees of the estate will accept \$12,000.

Before they sell, however, the Lower Merion School Board to agree to the following two stipulations:

1. That the School Board move the present iron fence to the new property line together with the shield planting of the evergreens which is now on both sides of the fence.

2. That the School Board transfer to locations designated by trustees, all shrubbery and other plantings on the land to be sold, with the exception of large trees.

A plan for the absorption and use of the additional three acres, in connection with the Bala-Cynwyd Junior High plant, has been discussed already by members of the School Board.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

### W. L. Tillman New President of the Cynwyd Club

At the annual meeting on Tuesday night, Walter L. Tillman, Montgomery Court Apts., Narberth, was elected president of the Cynwyd Club.

Other officers elected were Horace G. Hill, Jr., re-elected first vice president; William T. Campbell, second vice president; Gerald S. Erb, re-elected treasurer; Harry M. Simons, re-elected secretary, and Alan W. Cameron, elected to the Board of Governors. Frank J. Tybesky, Jr., was re-elected to serve on the Board.

President Tillman succeeds E. Harmon Friel, who held the office for four years. The club members presented Friel with a wrist watch in appreciation of his services.

The new president is prominent in tennis and squash circles; he is president of the Philadelphia Inter-Club Squash Racquets Association, and vice president of the Middle Atlantic States Lawn Tennis Association.

At Tuesday's meeting, the membership amended the by-laws to increase the dues and voted to keep the clubhouse on Trevor Lane open despite the fact that many of the members have been called into the armed forces.

### \$1841.25 Collected

28 percent is vital to the continuance of Red Cross activities on the home front. Less than two percent is used to defray administrative expenses.

Included in the 28 per cent for home front services are the expenses of the Motor Corps, one of the most important Red Cross functions. Among its duties is the transportation of local residents from their homes to Bryn Mawr Hospital for treatment when no other transportation is available and this expense must be paid for out of subscriptions to the current War Fund Drive.

## WOMEN'S CLUB NEWS

**Narberth Club**  
The Literature Group will meet at the Community Building next Tuesday at 1:30 P. M., when Mrs. C. H. McCarter, Jr., will review the Russian novel, "Tamara," and Mrs. R. L. Pope will speak on "Historic Western Pennsylvania."

The wives of Narberth's servicemen met again on Monday night at the home of Mrs. C. Arley Farmer. Narberth's representative to the Montgomery Community Workshop. Many more women attended this, the second meeting, and decided to meet regularly.

The project of getting the servicemen's wives together is one of the Community Workshop plans.

At Tuesday's stated meeting, Bettina Gunczy, of the National Motion Picture Council spoke on "Motion Pictures and the War." Mrs. Charles T. Owens, president of the Philadelphia Motion Picture Forum, was a guest.

At a meeting of the club's executive board last week, it was voted to donate \$25 to the Red Cross War Fund.

## CHURCH NEWS

Some of the pupils of Narberth Public School will be spending many of their Summer days working in Victory Gardens, which have been provided for them by Mr. Al Vick. The plots of ground are located in the Vick's Wild Life Garden on Montgomery Avenue, the former Wohlert estate.

The gardens, which will be registered under Victory Gardens in Ardmore, will be plowed by Lower Merion Township, as soon as the weather permits.

Children who have plots of ground are, J. Schrepfer, A. Brunell, R. Johnson, J. Ford, J. Rea, B. Buchanan, J. Keightley, T. Lewis, L. Warner, G. Taylor, D. Petterman, C. Deal, T. Rees, E. ## The Narberth Business Council WEEKLY NEWS LETTER

To You Who Live and Buy in Narberth

The Ration Board for Narberth and Ardmore is composed of members who are all your neighbors. They serve without pay and are assisted by a group of volunteers who give varying amounts of time to necessary paper work and by four paid workers. The Board members are liaison officers between the central organizations of OPA at Washington and you, the individual consumer, to help you adjust your personal lives as nation-wide shortages due to the war effort call for modification of your habits. They must follow the general plans laid down for the nation as a whole and apply them to fit local conditions, but they are not here to impose restrictions arbitrarily and they ask your cooperation and understanding.

The Ration Board for Narberth and Ardmore started just after Pearl Harbor when tires and automobiles were the only rationed articles. As the program grew, more people joined the Board—selections being made through general call for volunteers. People able to give the time were asked by the chairman to go on the Board, and in due course these appointments were given official sanction by the State Director. The Board members represent a variety of civilian interest and come from each section

Your Board wants suggestions as to how it may improve its service to its community. It is fully aware of the hardships imposed by the war necessity, and hope that it has the confidence of the community as to its effort to interpret impartially and fairly the regulations sent to it by the OPA. As you know, political interests have never entered into the appointments of the OPA or to the local board, and the make-up of your own Board represents a wide variety of political opinion. They have nothing to gain by catering to any particular faction in the community, and while the Board recognizes that each person's situation varies from that of his neighbor, each one gets equal treatment in consideration of his problem. If it were possible to adopt fixed and uniform procedure for the nation as a whole, the regulations could be laid down and enforced by the Washington office alone. It is precisely because every community has its own peculiar character that the work of rationing is given over to the local board. Local board members by their knowledge of local conditions have the key to a better understanding of the rationing program as a whole.

## Meat Rationing

When meat rationing begins, the only foods which will still be unrationed are fresh vegetables, bread, potatoes, eggs and milk. It is also considered possible that milk and even potatoes may be added to the ration list by summer.

The meat rationing program, which was at first expected to exclude certain meats such as liver, kidneys and sweetbreads, now is reported to include all meats and meat products.

Too Many Cooks

There are so many "cooks" attempting to work out the food problem that it has taken on the semblance of a three-ring circus.

If these various branches of the government do somehow work things out so that ample food for the armed forces and the nation is produced this year, the distribution problem alone could easily interfere with the people getting an adequate amount of food. Black markets in food, particularly meat, have grown to such an alarming extent that they are out of hand—and it looks as though a gigantic police force may be needed to prevent a situation where the people would be forced to trade with black markets in order to eat. Congressmen are considering drastic steps to cope with this, including the possibility of capital punishment for those operating black markets.
